To use the Zoom Apps functionality in a Zoom Meeting, Users are reminded that they might need to sign in and out of their current Zoom Desktop Client or update their Zoom client for the quick start app button to appear. To update your Zoom Desktop Client visit: https://zoom.us/download

 To log out of the Zoom Desktop Client, navigate to the profile icon in the top right corner, and select sign out. Log back in by selecting "SSO" and entering your Wilmington University credentials.

3. From the App menu within the meeting, select "Discover" and the preapproved "Timer" App should appear. If it does not appear, select "Discover more apps on the App Marketplace" to search for the Timer app. Note: the only approved app for Wilmington University Zoom licenses at this time is the timer app. After selecting the "Timer" app, click "Add".
