## Anonymous Incident Report

This is not an emergency reporting form. If this is an actual emergency or involves an imminent threat to life or property, call 911 immediately.

To keep Wilmington University safe, all members of the University community must take an active role in reporting threats or concerns that could lead to violence or criminal activity. This Anonymous Incident Form was developed to allow members of our community to anonymously report criminal activity, sexual assault, sexual harassment, and other threats and/ or concerns.

If you witness a crime or other suspicious activity on-campus, or if you are a victim of a crime and do not wish to make an official police report and would like to report it anonymously, please fill out the form below. Your assistance can help us make Wilmington University a safer environment for all.
