Delaware Tech and WilmU Degree Pathways

Delaware Tech students who complete the associate degree programs included in this Agreement and enroll in the parallel WilmU bachelor's degree are guaranteed acceptance of all credits required for the associate degree, effective for the 25-26 academic year. Program changes in subsequent years may impact ability to accept all credits. Students who do not follow the parallel programs outlined below are guaranteed admission, but transfer credit will be evaluated on a course-by-course basis.
